- 5) The frame of the Abacus is made up of 2 parts the sky and the earth.

**IV. Choose the correct answer.**

**[5 × 1 = 5 M]**

1. The computers understand instructions in the form of :

- |                       |                          |                  |                          |
|-----------------------|--------------------------|------------------|--------------------------|
| a) Computer languages | <input type="checkbox"/> | b) 0's and 1's   | <input type="checkbox"/> |
| c) Both a and b       | <input type="checkbox"/> | d) None of these | <input type="checkbox"/> |

2. .... is an anti-virus programs.

- |           |                          |            |                          |
|-----------|--------------------------|------------|--------------------------|
| a) Winzip | <input type="checkbox"/> | b) Norton  | <input type="checkbox"/> |
| c) pkZip  | <input type="checkbox"/> | d) 7 - Zip | <input type="checkbox"/> |

3. Taxi meter is an example of :

- |            |                          |                          |                          |
|------------|--------------------------|--------------------------|--------------------------|
| a) Leibniz | <input type="checkbox"/> | b) Pascal adding machine | <input type="checkbox"/> |
| c) Abacus  | <input type="checkbox"/> | d) Super computer        | <input type="checkbox"/> |

4. System software is of ..... types.

- |      |                          |      |                          |
|------|--------------------------|------|--------------------------|
| a) 2 | <input type="checkbox"/> | b) 3 | <input type="checkbox"/> |
| c) 4 | <input type="checkbox"/> | d) 5 | <input type="checkbox"/> |

5. We can use ..... to do calculations.

- |                   |                          |                 |                          |
|-------------------|--------------------------|-----------------|--------------------------|
| a) Word processor | <input type="checkbox"/> | b) DTP          | <input type="checkbox"/> |
| c) Spreadsheet    | <input type="checkbox"/> | d) Any of these | <input type="checkbox"/> |
